Dear Parents and Carers,

Welcome to the final instalment for this half of the summer term – doesn't time fly!

Holiday Camp

Don't forget, Eolas+ are hosting holiday camps at school next week.

Bookings can be made via the link below, so please check out their website and booking system for further details.

Dates for the Diary

As you know, the half term break is extended into the following week. Children return to school on **Wednesday 9th June**.

The plan at the moment, restrictions allowing, is to hold a Sports Week in the week of **28th June**. We will hopefully be holding Sports Days for each year group team during that week – more details to follow soon.

The last day of the Summer term is **Friday 23rd July**. Children return to school after the summer break on **Thursday 2nd September**.

Visitor into School

We were delighted today to welcome Seb into the Foundation Stage. Seb the lamb gave all the children a real insight

into caring for animals and having empathy with them. Thank you to Mrs Hooper for making Seb's visit possible!

Parking

Once again, local families are having difficulties with parents parking in places reserved for residents. As ever, please be respectful of other people's properties and parking places and only park in public spaces. Thank you for your cooperation.

Monitoring

Mrs Ketley and I met with groups of children this week to talk about their experience of RE in school. The children were an absolute credit and spoke articulately about many topics. Both Mrs Ketley and I were delighted to hear how much the children take on, understand and apply to their own lives. We have children with very interesting views, thoughts and opinions!

Keeping watch

After our recent spate of unwelcome visitors and uninvited guests, we are continuing to work with the police. Clearly, holidays are vulnerable times for the school so your vigilance is much appreciated at this time. Thank you for being such good neighbours.

Have a good break

I hope the weather continues to improve and that you are all able to enjoy a break over the next week or so. The children have worked incredibly hard in school and are certainly ready for a rest.

I wish you all an enjoyable holiday and look forward to seeing the children on 9th June.
