Dear Parents and Carers,

Well, what can I say? You certainly didn't disappoint! A huge thank you to everyone who put so much time and effort into making the children look so amazing on

Thursday. I think these were the most intricate and detailed costumes I have seen in some time. It was a simply amazing effort all round. Thank you.

PSHE Week

As reported previously we had a superb week looking at our feelings in the week before the half term break. A video of some of the children speaking about the activities and how they felt can be found on the Health and Well-being page of our website. Please follow the link below.

Swimming competition

Plymouth Leander, the country's leading swimming club is looking for 7-11-year olds currently at ASA Stage 7, 8, 9 and 10 in swimming lessons to join their our programme from surrounding local schools!

With strong results from local meets to international competition, we aim to help every swimmer fulfil their potential

If you meet the above criteria, we happily invite you to a trial between 15:00 and 16:00 Saturday 7th March 2020 at Plymouth College, Ford Park, Plymouth PL4 6RN. There is parking available outside the sports hall accessed via the rear gate and opposite this entrance there is a council-run car park that is free for 1 hour.

A trial will consist of one of our experienced coaches taking prospects through all four strokes and skills such as dives and tumble turns!

Supporting this trial day will be some of our performance swimmers who will be able to answer questions about their swimming journeys.

Each trial will last around 15 minutes, with swimmers being grouped on arrival. After the trial has finished we will give you feedback on your next steps.
