Dear Parents and Carers,

Please read this letter in conjunction with the one already sent out about changes in school from 1st June.

As we are preparing to extend the number of pupils in school from next week, we need to make some changes to the current arrangements for your child. As a key worker child, your child may continue to come to school in the same pattern as they have for the last few weeks.

We have divided the children into broadly age group classes. Your child will stay with this class every day until such time as we are advised of further changes. We have set a maximum of 11 children for any group as our classes are very small.

Your child will be working with **Miss Rees**.

Please arrive at the door between Mrs Dove and Mrs Baker/Mrs Boroczky's classes at 8.30 am.

Remember to observe social distancing on school site at all times.

Only one adult to attend with each child please.

Please be prompt as late arrivals may not be admitted to school to prevent potential cross infection.

The school day will end at 3.15pm as usual. Please arrange to collect your child promptly and leave the school site straight away.

Yours sincerely,

Mrs J Jones

Head Teacher
