Dear Parents and Carers,

Well, another week shoots by and we have only two weeks left to complete before the summer holiday begins.

### **Wear it Blue**

Thank you to everyone who contributed to Wear it Blue day. Even though our uniform is blue, it was lovely to see the children in so many different shades on the day.

I am enormously grateful to all of you for your contributions. We have had many items and materials donated for us to use next week (and for many weeks beyond) and also had £158 brought in. I am hugely impressed by your generous spirit. Thank you.

Next week will be highly exciting with different creative and performing arts happening each day. It looks like the intention is to out-do sports week for range, variety and quality of activity, but that is a tough one to follow!

Don't forget, if you have some time during the week and would like to come and paint some walls, we would be delighted to see you so please let the office know your availability.

### **Year 6 Enterprise Week**

This has been a very busy time as Year 6 became entrepreneurs for the week. Groups of children came up with ideas, advertised and prepared the items and then sold them to willing customers at break times.

Thank you to all parents who have supported this venture, either by providing materials, or sending in their

children with money to purchase various food items.

I await the final figure for profit made over the week, but I understand it is substantial.

Once again, thank you for your generosity. It makes such a difference. The children will now be able to choose what to do as their end of year treat and agree what to do with the remaining funds.

### **Half Marathon**

The Half Marathon final mile will take place on Sunday at 10.00. We hope the rain will stay away this time so we are able to complete our task in the sunshine.

Gates will be open for 10 am and the first race will be at 10.15. Children should arrive in their marathon t-shirts.

### **School Money Payments**

Please make sure your payments are up to date and meals are paid for in advance. We are aiming to end the year with a zero debt, so please help us to make this happen.

### **School Uniform**

Just a reminder, Footprints have advised us that their last day for orders is 3<sup>rd</sup> August for things that you will need for the start of the new term.

Navy PE shorts are in stock for those of you who wish to use them.

*Have a good weekend. Enjoy the football..!*
