

7th January 2019

Dear Parents and Carers,

A very Happy New Year to you all. I hope you all enjoyed a super holiday and found time to spend with your loved ones.

I am delighted to see everyone back in school, smart and ready to learn. It is always good to have the children back.

You may have noticed some changes to the outside of our building. We have finally got rid of the old metal container outside Miss Rees' class, which had become an eyesore. Mrs Wilson and the Foundation Team have great plans for the outdoor space that has been freed up so keep your eyes on that area and watch how it changes.

We have also been allocated some £160,000 by the Taylor Wimpey building company for expanding our school premises, so much work is to be done to ensure we make the right plans for the benefit of all our children. I will keep you posted as plans progress.

It feels we are finally at a new junction with our dilapidated building and we look forward to greatly improved premises in the not too distant future.

Our school uniform is now available from Tesco. You need to go to www.tesco.com and follow the link to F&F clothing – Shop Uniform Embroidery Service. Then you only need to enter the name of the school and you will be able to see a list of what is available. The samples we have received have been of good quality and we hope this makes buying uniform more convenient. As a plus, school will receive 5% of the value of all orders placed so this helps us too! Orders can still be placed with Footprints if you wish.

Following surveys organised by School Council with the children, staff and Governors, it is possible that we may change our school logo for September this year.

If you would like your view to be part of the survey, please complete the form below and send it back into school. I have left space for two adults to give their view from each family. This will be a first step prior to making any decisions about a changed logo and what it may look like.

Many thanks,

Yours sincerely,

Mrs T Jones.
